

Cats To Make Strong Bid For Conference Track Title At Hagerstown Friday Night

Revised 10/22/14

By Paul Seffrin

Coach Jack Copeland's Lincoln Wampus Cat track squad will battle all the way Friday night - in efforts to win the Eastern Indiana -Athletic Conference track and field meet on Hagerstown's Corn Field.

The opposition will be plenty tough, with two time champ Lawrenceburg very much in the picture again. The southerners won in 1958 and last year. Aurora, winner of the first meet in 1957 is also a strong bidder for top honors this year.

Brookville, Batesville and Hagerstown have some capable Lads who may carry off enough honors to throw the meet into a real tight squeeze between Cambridge City, Aurora and Lawrenceburg for the top team honors.

Ideal night, weather could bring some new conference records in at least two events. Jerry Thomson, Cats hurdler has intention of lowering the two marks established by himself last year.

The program is scheduled to start at 7 p. m.

EASTERN INDIANA ATHLETIC CONFERENCE TRACK AND FIELD RECORDS
