Seffrin says: "Some Legion tourney highlights: Southpaw Bill Swigart of Cambridge City hurled a two-hit 15 strikeout game to beat Connersville. It was one of the finest games ever played at Creitz Park."

Comments from Warren Fields, "That was a FUN team! Close, Bundy, Carlson, Raby, Swigart, and Parker were darn good players (that is NO offense to any of the players I did not name); they made us competitive with teams from much larger towns. I "think" I recall that we beat Richmond & New Castle as often as they beat us that year. Bundy was the best base-stealer of anyone we played (don't tell him I said that©)"
