

© Bob Johnson, Coach ©

We have done some (OK, a lot) of guessing about this picture. Some of the guesses:

Either the 53/54 team or 54/55 in their practice jerseys. Coach Bob Johnson came in the fall 1953 and the old gym and smoke stack are in the back. Those are the old helmets that Lincoln got from Earlham.

If you have any more information about this picture, I am very interested.
